Dear Sir:

Re: Municipal Access Agreement and Part VII Application by Shaw Cablesystems Limited seeking an order granting access to highways and other public places in Wheatland County, Alberta

Thank you for your January 21, 2008 correspondence confirming your attendance at the January 23, 2008 meeting at Wheatland County and providing two items for discussion, namely:

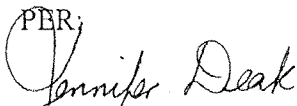

1. The underground locate and staking process
2. Providing services to the Lakes of Muirfield

We note that in your Part VII Application to the CRTC there are other issues listed and therefore we would like to clarify and obtain your confirmation that should the above noted two items be resolved that you will remove all the other issues from your CRTC application.

Thanking you in advance for your prompt response to this matter.

Yours truly,
WHEATLAND COUNTY

PBR;

JENNIFER DEAK
Chief Administrative Officer
