Dear Mr. Davies,

Wheatland County is looking forward to you completing the installation of Shaw Cablesystems' new conduit and fibre optic cable within the east side of Range Road 264. **As such, Wheatland County grants Shaw Cablesystems consent to enter our municipal right-of-way subject to it entering into our Right-of-Way Access and Work Agreement or subject to the terms and conditions of Wheatland County's Bylaw 2007-83.**

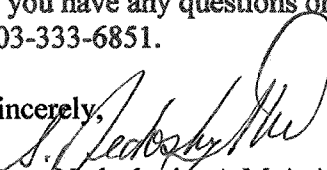

I am enclosing a copy of Wheatland County's Right-of-Way Access Bylaw 2007-83 and our Access and Work Agreement for you to forward to Shaw Cablesystems. We note that Shaw Cablesystems has been in negotiations with Wheatland County for the last number of months over the terms and conditions of an Access and Work Agreement. To date, no agreement has been entered into and an application to the CRTC has been filed by Shaw Cablesystems in this regard.

**Please ensure that prior to beginning any work in our right-of-way that Shaw Cablesystems either completes the attached Rights-of-Way Access and Work Agreement, in duplicate and returns it to our offices, or is aware that the terms and conditions of the Bylaw will apply to Wheatland County's consent.**

Furthermore, note that all criteria of the Agreement or the Bylaw must be met prior to construction, including membership with Alberta One Call Corporation and appropriate insurance. If no agreement is entered into and the terms and conditions of the Bylaw apply, we note that a failure to abide by the terms and conditions of access as set out by the Bylaw is a prosecutable offence.

If you have any questions or concerns, please contact me at 403-361-2012 or on my cell phone at 403-333-6851.

Sincerely,

  
Steve Nedoshytko A.M.A.A.
